State Addendum — California

Overrides to base term life guidelines & contract · Illustrative specimen

Synthetic illustrative state overrides for testing the jurisdiction-overlay and diff logic. Values are illustrative and must be verified against current California law for production.

1. Scope & precedence

1.1 This addendum states California-specific overrides to the base contract and underwriting guidelines for risks located in California. Where this addendum conflicts with the base, this addendum controls for California.

2. Free-look period

2.1 The policyholder may cancel for a full refund within 10 days of delivery; the period is 30 days for applicants age 60 or older.

3. Required notices

3.1 Deliver the California life insurance buyer's guide and a policy summary at or before policy delivery.

4. Replacement

4.1 If the application replaces or changes existing coverage, comply with the California replacement regulation: deliver the replacement notice (see the Notices form) and the required comparison before or with delivery.

5. Rating-factor limitations (illustrative)

5.1 Apply only the rating factors permitted for California; suppress any factor restricted by state law. Nicotine-cessation treatment is handled per the state rule rather than as an automatic debit.

6. State fraud warning

For your protection California law requires the following to appear on the application: Any person who knowingly presents false or fraudulent information to obtain or amend insurance coverage or to make a claim for the payment of a loss is guilty of a crime and may be subject to fines and confinement in state prison.
